Established November 2007

Task Force members

Philip Lee, UK
Zenebie Gedlie Damtie, Ethiopia
Eric Hargis, USA
Mike Glynn, Ireland (ex-officio as IBE Treasurer)

November 2007

The Task Force was established with terms of reference by vote of the International Executive Committee.

The Task Force is charged with drafting a fundraising strategy for IBE that will enable it to achieve its long term strategic goals and to make recommendation to the International Executive Committee about the development and introduction of appropriate fundraising materials and other resources to implement its fundraising plans.

January 2008

Approval by the International Executive Committee of an outline produced by the task force of the contents, focus and structure of IBE's future fundraising strategy including the following: -

- 1 A review and analysis of the current fundraising position.
- 2 An assessment of the financial requirements of IBE over a given time.
- 3 Opportunities for future fundraising.
- 4 Critical success factors – those things that are essential for IBE's fundraising to succeed.
- 5 An implementation plan.

Approval by the International Executive Committee of Part I of the fundraising strategy – a review and analysis of the current state of IBE's fundraising.

February - December 2008

Completion of drafts of Parts 2-5 of the strategy by the task force and advanced circulation of the entire strategy to the International Executive Committee.

October 2008

March 2009

Formal presentation of the strategy to the International Executive Committee for its consideration and approval.
