

PRESIDENT'S letter

International Bureau for Epilepsy 17 December 2007

Thank You!

Dear Friends

As a New Year is knocking at the door, I would like to stay back for a moment to express my sincere appreciation for all the great activities performed by individuals, healthcare workers, the pharmaceutical industry and different organisations working to improve the quality of life for people with epilepsy world-wide. Your strong commitment and hard work is recognized and much admired by the Members of the IBE International Executive Committee and myself.

I acknowledge also with much gratitude the financial support to IBE from a number of sources and I would particularly like to mention our Platinum and Gold Partners;

UCB Pharma and Eisai Co Ltd., with whom we have carried out interesting activities during 2007. Tremendous support is also given by Dainippon Sumitomo Pharma Co., Ltd., who provides the means for the dissemination of the International Epilepsy News in its Japanese translation.

I also would like to wish all IBE Members and Associate Members, the Members of the International Executive Committee, Members of the IBE Regional Executive Committees, Members of the ILAE Executive Committee and ILAE Chapters, IBE and ILAE staff members, our partners and supporters in IBE, my personal best wishes for continued success in 2008.

Warmest Greetings for the Season and every good wish for the Coming Year!

Susanne Lund
