

Nomination Form for the Asian and Oceanian Outstanding Achievement Epilepsy Award (AOEA) – 2016

Introduction

The Asian and Oceanian Outstanding Achievement Epilepsy Award (AOEA) was introduced by the Commission of Asian and Oceanian Affairs (CAOA) of the ILAE in 2010.

The purpose of the Award is to recognise and pay tribute to medical or non-medical professionals for their extraordinary contributions to Epilepsy Care. It is our highest honour, and is given for the lifetime of the recipient.

Recipients will be invited to attend the 11th Asian and Oceanian Epilepsy Congress in Hong Kong, May 2016, to receive the Award, a plaque and a small gift. Whilst the Award does not carry monetary value or provide travel or accommodation expenses, recipients will be offered free (non-transferable) registration to the Congress.

Who can nominate

All ILAE and IBE chapters in the Asia-Oceanian Region, and any member of the CAOAA, ASEPA and Task Force Teams (TFTs) may each nominate a maximum of 3 candidates. An authorised officer of the nominating association must submit nominations from ILAE or IBE Chapters. Nominees should not previously have received the ILAE-IBE Ambassador for Epilepsy Award or the AOEA Award. The purpose of the AOEA is to honour those who deserve the highest recognition and who have not had the opportunity to be recognised.

Nomination process

Be sure to submit all nominations well in advance of the deadline - late submissions will not be considered. Do not submit any more than 3 nominations for this award. Please refer to the attached "Rules for the Asian and Oceanian Outstanding Achievement Epilepsy Awards" and on the CAOAA website.
